<p><b>What experience you can share with ILCC?</b></p>	<p>I am eager to proceed with the projects where I have participated as current Board member of ILCC. In case of my election I would focus on strengthening of impact of ILCC and its members in organising joint projects with other Chambers operating in Latvia and actively participating in solution of matters of importance for ILCC in Latvia, both through cooperation with FICIL and direct lobbying of the interests of ILCC members.</p>
<p><b>What input you could give to ILCC Board?</b></p>	<p>My long-term experience in providing legal services to diverse sizeable investment projects and major companies in Latvia serves as confirmation that I am competent in issues investors face in Latvia and the desirable investment and legal environment they expect.</p> <p>I am certain my recommendations in respect of possible new social and public events that could be supported by ILCC would provide an active and strong contribution to the future activities of ILCC and confirm that ILCC is one of the proactive foreign investor representation organisations in Latvia. I believe ILCC has certain ways open for improvement in support to pro bono and important projects social-wise in Latvia demonstrating the intent of ILCC to support not only business activities, but also to encourage businesses protecting socially sensitive spheres and aim at furtherance of quality and safe business environment in Latvia.</p> <p>My long-term membership and my experience in executive bodies of such organisations as WWF, JAL, Latvian Chamber of Commerce and Industry, also confirms my know-how in respect of work carried out ILCC, and this would be contribution to ILCC.</p>
<p><b>Who would be your dream guest speaker at the Business Breakfast?</b></p>	<p>Ambassadors of foreign countries to Latvia; Discussion table with start-up companies; Representatives of the Estonian and Scandinavian commercial banks and payment service providers;</p>
